

New ProPlus® Digital Wheelchair Scales 1600KL and 2610KL Added to the Health o meter® Professional Line

The maker of the world's most recognized brand in clinical weighing, Health o meter® Professional scales, announces the addition of new [1600KL](#) (700 lb/ 310 kg capacity) and [2610KL](#) (dual ramp, folding, 1000 lb / 454 kg capacity) models to the ProPlus® digital wheelchair scale line. Both models include EMR connectivity through USB and serial ports and swivel display indicators that are easy to use and easy to read. Each scale is manufactured to ISO13485:2003 standards of quality and includes 270 Patient memory, multiple data ports, exclusive tare functionality, customizable display options, user-friendly data screens, motion-sensing technology to compensate for patient movement and troubleshooting diagnostics.

These scales are the latest addition to the ProPlus® wheelchair line--all factory calibrated with patented features that allow for a low cost of ownership. Commitment to dependability, dedication to customers and eight decades of technical expertise allows Health o meter® Professional weighing instruments to continually provide *innovation to a greater scale™*.

Health o meter® Professional Scales--

Health o meter® Professional scales set the standard for superior quality, innovation and better patient care. Trust in the quality of Health o meter® Professional scales inspires health practitioners throughout the world to weigh their patients or clients with a Health o meter® product in doctor's offices, clinics, hospitals, long term care, bariatric, therapeutic and fitness facilities, professional home health care giver settings, veterinary or other locations where precision is important every day, around the clock.

Health o meter® Professional offers a level of quality that's truly unmatched. While doctors have trusted the Health o meter® name and reliability for nearly a century, their patients have also come to recognize the promise of quality and precision that a Health o meter® scale represents. "Our continued success stems from commitment to innovation, dependability, dedication to customers and eight decades of technical expertise that allow us to provide *innovation to a greater scale™*."

Pelstar, LLC is the manufacturer of Health o meter® Professional scales, the world's most recognized brand in patient weighing scales.
