Dear Valued Partner,

DJO-Chattanooga announces the sale of our "ErgoStyle™" branded line of Chiropractic adjusting/manipulation tables to Pivotal Health Solutions, Inc. The ErgoStyle brand, synonymous with innovation and quality, finds a great home with Pivotal Health Solutions and their expanding line of Chiropractic adjusting tables.

The Chattanooga products acquired by Pivotal Health Solutions include:

- ErgoStyle ES2000
- ErgoStyle HYLO
- ErgoStyle FX
- ErgoStyle Benches
- ErgoWave®

This agreement offers a very positive outcome for all parties involved. Chattanooga and the loyal dealer network have worked very hard to build the ErgoStyle brand over the past 12 years and it is our hope that the great tradition will continue to carry forward with Pivotal Health Solutions, supporting dealers and end users alike.

The next couple of months will be a time of transition between Chattanooga and Pivotal Health Solutions. We want to ensure that, between both companies, the level of service you expect will continue during this time of change. Chattanooga will continue to manufacture all Ergostyle table customer orders through October 31, 2009. Further, Chattanooga will work to provide excess Ergo inventory to Pivotal Health Solutions as they begin to ramp up production at their manufacturing site.

Effective immediately through October 31, 2009, Customer Orders will be handled in the normal manner in which you are accustomed to:

- All current POs in Chattanooga's system will be shipped and invoiced in the normal manner you are accustomed to.
- All new Purchase Orders need to be placed with your Chattanooga Customer Service Representative through October 31. These orders will be manufactured and shipped by Chattanooga.
- If you have any back-orders for Ergostyle tables or parts, these will also be manufactured and fulfilled by Chattanooga through October 31.

Regarding pricing, the current Chattanooga 2009 Tables USD Price List is still in effect and will be honored by Pivotal Health Solutions. For our Euro customers, we are pleased to
